

In a little while
she looked around
and she realised
that she is lost.
She quickly climbed
up a tree and
looked around. But
it was no use.
She started to cry
when the owl
appeared. The owl

asked her why
was she crying.
I don't know
where is my home.
You're lucky because
I have just been
there. Follow me.
After 1 min they
home. The owl

waved good bye.
Do Rossy never
went so far to
the forest again.
